Ms. Lynne Grant, General Studies Librarian

Dear Parents,

We are very pleased to inform you that arrangements have been made to extend the school library hours until 5:30 PM on Wednesday afternoons for the 2015-2016 school year. At that time, your child(ren) can spend valuable time in the library under the supervision of the school librarian. Your child may read a book, do homework, work on a research project, find a book to borrow, study for a test, listen to a story or read a story to another child in our Partners Reading Program.

If you would like your child to attend the Library Afterschool Program, you must give your permission by **completing and signing the slip below, detaching it and sending it with your child the first day (s)he attends the program.** The permission slips will be kept on file for the 2015-2016 school year so that your child can attend whenever (s)he wishes. ****Please be sure you discuss with your child EVERY week whether or not (s)he will be going to the library afterschool program.*** **** Please arrange transportation for your child to get home, as SCHOOL BUSES WILL NOT BE AVAILABLE and indicate below how and with whom your child will be going home.*** We appreciate your being prompt when you pick up your child.

The Library Afterschool Program can be a productive and fun learning experience for your child. I look forward to meeting you and your child(ren) at that time.

The Library Afterschool Program begins on
Wednesday, October 14, 2015

Sincerely,

Lynne Grant
General Studies Librarian
