ELEMENTARY SCHOOL

Dear Parents,

The 2017-18 school year is drawing to a close. Our teachers and students have worked very hard all year. Your children are leaving school this year as better readers and writers and in order to continue this intellectual growth, it is very important for them to read DAILY and write often. Practice is necessary in order to master strategies that are critical to the continued success of the reading and writing process. Summer reading is an important activity for your child. It encourages students to continue learning while still providing them with fun and enjoyment. What helps make reading entertaining for children is allowing them the freedom to choose books that speak to their unique interests.

The Summer Reading Assignment is simple and as follows:

- 1) Incoming 2nd grade - Students should read a minimum of 2 books this summer, 1 fiction and 1 nonfiction and choose one (1) graphic organizer for each book read. * Additional copies of the Graphic Organizers and Reading Logs will be available on the Yeshivah's website.

- 2) In addition, students are required to read 2 articles from the ReadWorks selections provided in each student's packet, 1 fiction and 1 non-fiction and complete the included questions for each article chosen.

We are including your child's independent reading level below so you may be able to locate books this summer that he/she may enjoy reading independently. Additionally, we are including the name of an app available from the App store for iPhone that allows you to scan the bar code on any children's book so you can determine the book's level. The App is called Literacy Leveler.

Please join us in providing the necessary encouragement and support to make reading an important part of your child's wonderful summer!

STUDENT'S NAME: _____

CURRENT INDEPENDENT READING LEVEL: _____

Wishing you a happy, healthy summer!
