We hereby submit an application for our child's admission to the Yeshivah of Flatbush Elementary School for the academic year commencing September 2017. We understand that the Yeshivah's course of study reflects a commitment to excellence in Jewish and General Studies, combined with a commitment to the values and practices of Halakhic Judaism – namely the study of Torah, observance of Mitzvot, concern for the welfare of Jews throughout the world, and a love for and commitment to Medinat Israel. We are also aware that the Yeshivah will be teaching the students all aspects of the traditional observance of the Shabbat, Jewish holidays, Kashrut and Tefila (prayer), and we hereby pledge ourselves to support the above in our home, thus reinforcing the educational goals of the school.
